

# MEMORIAL DAY BBQ SILENT AUCTION NEEDS DONATIONS!

Last year's silent Auction was such a success, we are going to make it an Annual event! Our community of talented and generous people shared their creative, interesting and desirable items for us to sell And we hope that you will do it again. Personal services were also donated, as were household items, tools, clothing, And the delicious bake goods we all enjoyed. In addition, donations were made by local Salons and businesses.

**WE NEED!** Framed photos (of anything you find interesting), artwork, crafts, knits, new tools, services from pest control, to haircuts, to housecleaning, new clothing from jackets to tee shirts, household electronics, jewelry, costume jewelry, Vintage items, wine, dinner cruises, any items that you can get a business to donate (smog check, pizza, wine, haircut, etc.).

This event is sponsored by the Beautification Committee, proceeds to benefit ongoing projects. Thank you for your help!
